

Knee Deep

Because You Are... | Week 11

Memorize: Psalm 23:6b

And I will dwell in the house of the LORD forever.

This Week's Action Step

Spend 10 minutes each weekday in a place of solitude. Read a Bible passage. Be still in God's presence. Pray using the Lord's Prayer to guide you.

Consider using these techniques:

- Journal your thoughts and prayers. List the things you're asking for. Review each day what you wrote the days before. Mark when and how God answers it.
- Adopt a prayer posture of humility. Pray prostrate, bowed, or on your knees.
- Pray "deliver us from the evil one" into each. Journal and track.

This week: pick a prayer or song from Revelation. Weave it into your prayer life.

MONDAY

1. Pick Rev 4:8-11 or 5:9-13. Read it a few times. Weave it into your prayer life today.

Read: Revelation 4-5

TUESDAY

1. In Revelation, the songs and prayers are sung constantly. Their whole existence revolves around bringing glory to God. Our lives are supposed to do the same. How do you bring glory to God throughout your day? Which areas seem to operate separately or independently of a glory-to-God focus?

Read: Psalm 41

WEDNESDAY

1. Share a time or way you saw God's power at work.
2. How do you live in God's power? Depend on God's power?
