

Boulder Event Calendar Summer 2017

(Last Update: 06/22/2017)

Please note that the Night of Worship on May 21 marks our last day of the usual weekly BoulderAM, BoulderXT, and BoulderPM programming until kick-off on September 10. As you can see, we have several movie with discussion and worship nights scheduled. We may also add other occasional in-week events. Please subscribe to our mailing list or like our Facebook page to be kept up to date. (<http://boulder.fellowshipoffaith.org>)
